I've been a patient of Dr. Quasha's for 3 years now. So happy I found his office! Awesome doctor plus he's hilarious which makes the experience of going to the dentist so much better. Everyone on his team is amazing! They are so friendly and they take their time to address any concerns you have. I had to have an emergency root canal when I was 7 months pregnant and they all made me feel super comfortable. Don't look any further, go see Dr. Quasha and his wonderful staff :)

Exceptional experience! Right from meeting Doctor Quasha for the first time, his style of examination was friendly, comforting and yet detailed and indepth. Highly recommend.

Not to forget, the support staff here are the best I have ever met. Scheduling, preparing and helping to execute the procedures with a smile making the patient so comfortable.

Again, highly recommend. Thank you.

Emergency visit - I moved from the northeast so I did not have a local dentist. Dr.Quasha and his staff were accommodating and professional. The front desk girls were helpful and clearly communicated the entire process -start to finish. They got me in right away and doc was wonderful, I had zero pain during the procedure , and little recovery time. I highly recommend Dr.Quasha and his team !

Dr. Quasha is simply amazing. Every appointment I've had has brought laughter and smiles, how ironic big smiles at the dentist right? His office is so awesome when insurance covered more than expected they called to give me a refund! Most places would have just kept my money! His office is always clean, his staff is always friendly, and I sincerely enjoy going there. Out of all the dentists I've had he is by far my favorite!!! I will continue to drive an hour away just for him!!!! ❤️

Best experience ever. Michael Quasha DDS is a no non sense dentist tell it like it is real person. He spoke to me, not at me. His office is clean, organized and his staff is extremely accommodating. I felt like I was receiving the most up to date treatment available. I loved my hygienist. I am looking forward to my next visit in Jupiter, FL. I highly recommend this office to everyone.

Great experience with this office. Super clean and organized. Had the room ready for me at my appointment time. Dr. was very detailed with me, and explained my treatment plan in full. The hygienist was very patience with my deep cleaning, and really got in there and cleaned me incredibly well. So thankful. Will be my new spot for dental care!
